Dear Applicant,

The United States Department of Agriculture (USDA) now requires all applications of NOBD to acquire a Dunn & Bradstreet number. Below, please find the instructions on receiving this number. It is a free service, so please let the operator know that you are required to obtain this number because you are seeking assistance through a federal program. The automated system will notify you that this can be done on-line. Please do not choose this option, or it will charge your company. Simply use the phrase “for US Federal Government Contractors and Grantees” and you will receive your free number.

**Instructions for receiving a
D&B D-U-N-S
For US Federal Government Contractors and Grantees**

Dun & Bradstreet (D&B) provides a D-U-N-S Number, a unique nine digit identification number, for each physical location of your business.

D-U-N-S Number assignment is FREE for all businesses required to register with the US Federal government for contractor grants. It is free, so do not go to the website to request one (as it may very well cost you money).

To request your D-U-N-S number call **866-705-5711**, Monday – Friday 7AM to 8 PM. It will take 10-15 minutes. Their recording will automatically refer you to their web site and then require money to obtain this number. Just tell them that it is free and that your business is **registering with the US Federal Government for Contractor Grants.**

- Trade style, Doing Business As (DBA), or other name by which your organization is commonly recognized
- Physical Address, City, State and Zip Code

- Telephone Number
- Contact Name
